

**FOOD SERVICE DIVISION**

**Dishwell - Citrus  
Washing Up Liquid**

**DESCRIPTION**

- Manual washing up liquid for crockery, cutlery, pots, pans. Safe on soft metals.
- Easily dissolves and removes a wide range of soils.
- Concentrated for economical use.
- Special formulation contains a combination of detergents and stabilizers. Does not dry out the skin, contains emollients, leaves pleasant fragrance.
- Effective Cleaning.
- Biodegradable.

Easily penetrates and disperses animal and vegetable fats. Produces rich foam and removes difficult soils. Rinses away easily leaving crockery and cutlery spot and streak free.

Recommended for use in professional and domestic kitchens, is hard water tolerant and biodegradable.

**DIRECTIONS FOR USE**

Rinse away heavy soils.

After washing, rinse crockery and cutlery with hot potable water and allow to dry. Will not leave streaks or spots.

**Brand Approval**
