# Sanifast Plus

## One Step Sanitiser

### DESCRIPTION

- Liquid one-step cleaner and no-rinse sanitiser.
- Outstanding sanitiser with broad spectrum of germicidal activity.
- Reduces and controls bacteria, mold, mildew and algae.
- Suitable where instant sanitation of surfaces is required.
- Non-corrosive on metal & plastic surfaces.
- Biodegradable.

Recommended for use in all types of infection risk areas including food preparation and handling areas.

Appropriate for use in care centres, schools, gyms, restaurants, meat, fish and delicatessen outlets, institutional & commercial kitchens.

### DIRECTIONS FOR USE

No dilution required. Ready for use.

Food Safety Chemicals gives the assurance of top quality and performance together with safety and environmental care in line with the latest worldwide regulations. Food Safety Chemicals products comply with European legislative and HACCP requirements for the purposes intended.

Additional information concerning handling, storage and safety of the product are contained in the Material Safety Data Sheet and on the label of the product.

Hold sprayer 6 to 8 inches from surfaces to be cleaned. Spray surface until wet. Wipe surface dry with paper or cloth.

No rinse with water required.

**Brand Approval**

<b>Packaging</b> .....	<b>4 Litres, 730 ml</b>
Physical state .....	Liquid
Colour .....	Light blue
Odour.....	Alcohol
pH .....	Ca 10.5
Density .....	0,920 g/ml
Alkalinity/acidity .....	Not applicable
Flashpoint .....	Ca 21°C Does not maintain combustion
Explosive properties .....	Not applicable
Oxidising properties .....	Not applicable
Viscosity .....	< 4 cP
Solubility .....	Fully soluble
Boiling point .....	78° C
Melting point .....	Not applicable
