

# Balmaseptik

## Antiseptic Hand Soap

### DESCRIPTION

- One-step liquid hand cleaner and sanitiser. Does not contain parabens.
- Exceptional for removing grease and fatty soils.
- pH matches range of human skin.
- Contains soft emollients for reduced potential of irritation and drying.
- Biodegradable.

Cover entire surface of hands, including fingertips. Rub hands well. After use, hands must be thoroughly rinsed with potable water. Repeat as often as necessary.

Brand Approval

Recommended for food processing plants and outlets, health care establishments and generally where cross contamination must be prevented.

It is generally recommended for areas where personnel require protection from infection.

### DIRECTIONS FOR USE

Wash after every absence from the work station and as specified by regulatory requirements.

<b>Packaging</b> .....	<b>4 Litres, 500 ml</b>
