Heavy Duty Cleaner Degreaser

DESCRIPTION

- High performance cleaner degreaser.
- Very wide range of activity.
- Special formulation of surfactants, solvents, sequestrants and soil suspending agents.
- Biodegradable.

Spray 6-8 inches from the surface and allow to act until the stain is removed. Wipe with a cloth or sponge.

For difficult stains, spray and scrub with a sponge or brush.

Safe on most non-porous surfaces – metal, glass, stone, plastic.

Removes oils, grease, ink, pastels and generally difficult stains from tables, air filters, domestic ovens and many others.

Brand Approval

Packaging	4 Litres, 730 ml
Physical condition	Liquid
Colour.....	Translucent red
Odour.....	Odourless
pH	Ca 11.5
Special gravity	1.005 g/ml
Alkalinity/acidity	N/A
Flashpoint	Non-flammable
Explosive properties	N/A
Oxidising properties	N/A
Solubility	Soluble at 20° C
Boiling point	100° C
Freezing point	0°

DIRECTIONS FOR USE

The product is ready to use – does not need dilution.

Food Safety Chemicals gives the assurance of top quality and performance together with safety and environmental care in line with the latest worldwide regulations. Food Safety Chemicals products comply with European legislative and HACCP requirements for the purposes intended. Additional information concerning handling, storage and safety of the product are contained in the Material Safety Data Sheet and on the label of the product.
